Experience

gala, an environment for creative process | Hoboken NJ | 8/02-present

Curator/Co-Founder/Director

A women's artist collective working to actively promote and support local women artists while developing programming to reach out to emerging artists in need of studio space, facilities and resources. In our pursuit of awareness we also concentrate on activism, from issues in the local community to global issues affecting the lives of women.

- Creative direction and Leading administration and development of the organization
- Conceiving the organization and recruiting members
- Develop the organization and its programs, which include art education, performing and visual art events, a monthly forum, fashion and photography events, social and political awareness events.
- Develop the organization's web and print identity, design and create promotional materials including website.
- Manage fundraising and development. Managing our fiscal sponsorship. Oversee maintenance and administration.
- Manage members, volunteers, interns the studio and exhibition venues, implement programs, organize weekly meetings and events.

Film and Media Department, Hunter College | NYC | 09/05-present

The curricular objective of the program is to educate twenty-first century media activists, artists and pamphleteers, people capable of conceptualizing, creating and distributing innovative, politically and socially engaged expression using contemporary media technologies.

Adjunct Lecturer 08/08-present

- Teaching Women and Media an advanced level course in media literacy, feminist media theory and women and gender studies
- Teaching Introduction to Media Studies: part of a collaborative team teaching the history of mass communication and media literacy
- Teaching Web Production I: Introductory web production concepts, art, software, tools and design.
- Teaching Desktop Publishing: Introductory web design

Technology Fellow 09/06- 09/07

- Provide educational workshops and assistance to graduate students/faculty in software tools. Assisting in department equipment maintenance and instructing students and faculty on equipment use.
- Website maintenance and development for students and instructors.

The Ethical Community Charter School | Jersey City NJ | 09/09-present

The Ethical Community Charter School is a safe and caring community where ethics, service, and social justice are the principles that inform every aspect of school life; where teachers lead and collaborate with students in a culture of rigorous academics and mutual respect.

Art teacher

- Teaching K and 1st grade students in basics of art, design, creativity, imagination and conceptual thinking.

Art Department, New Jersey City University | Jersey City, NJ | 08/08-12/08

The mission of the department is to encourage the development of students as artists, designers, scholars, and leaders capable of excelling in a complex society. Emphasis is placed on developing an understanding of the multiplicity of roles for the creative person in a contemporary urban society.

Adjunct Lecturer

- Teaching Web Design 1: an advanced design course developing understanding of the internet and website design.

Feminist Press | NYC | 07/06- 10/08

The Feminist Press and The Graduate Center at the City University of New York will conduct an exploratory project, *Women Working: Thinking, Creating, Making Science*, to identify issues and factors affecting women's access to science.

Web Project Consultant

- Work with the project developers and a web development team at IBM to design and implement a new website underthemicroscope.com as a social tool and resource for young women interested in studying and pursuing careers in science, math and technology.
- Develop, design and implement a website for the Women Working project
- Update and maintain the Women Working website throughout the progress of the project

Rhizome at the New Museum | NYC | 02/07- 6/07

Rhizome.org is an online platform for the global new media art community. It's programs support the creation, presentation, discussion and preservation of contemporary art that uses new technologies in significant ways. We foster innovation and inclusiveness in everything we do.
